THE PLAN

NOW, THEREFORE, Declarant hereby makes and establishes the following plan for condominium ownership of the below-described property under and pursuant to the provisions of the Condominium Act:

ARTICLE I

THE LAND

A legal description of the land constituting a part of the Condominium Property, located in the City of Newark, Licking County, Ohio, and consisting of 2.633 acres, more or less, is attached hereto and marked "Exhibit A".

ARTICLE II

THE NAME

The name by which the condominium shall be known is "Stonington Woods Condominiums".

ARTICLE III

PURPOSES; RESTRICTIONS

Section 1. Purposes. This Declaration is being made to establish separate individual parcels from the Condominium Property to which fee simple interests may be conveyed; to create restrictions, covenants and easements providing for, promoting, and preserving the values of Units and the Common Areas and the well being of Unit owners and occupants; and to establish a Unit owners' association to administer the Condominium and the Condominium Property, to administer and enforce the covenants, easements, charges and restrictions hereinafter set forth, and to raise funds through assessments to accomplish these purposes.

Section 2. Restrictions. The Condominium and the Condominium Property shall be benefitted by and subject to the following restrictions:

(a) **Unit Uses.** Except as otherwise specifically provided in this Declaration, no Unit shall be used for any purpose other than that of a residence for individuals living together as a single housekeeping unit, and uses customarily incidental thereto, provided, however, that no Unit may be used as a rooming house, group home, commercial foster home, fraternity or sorority house, or any similar type of lodging, care or treatment facility. Notwithstanding the foregoing: (i) an occupant maintaining a personal or professional library, keeping personal business or professional records or accounts, conducting personal business (provided that such use does not involve customers, employees, licensees or invitees coming to the Unit), making professional telephone calls or corresponding, in or from a Unit, is engaging in a use expressly declared customarily incidental to residential use and is not in violation of these restrictions; (ii) it shall be permissible for the Declarant to maintain, during the period of its sale or rental of Units, but for no longer than a two year period of time from the time of the closing of the first sale of a Unit to a bona fide purchaser,

one or more Units as sales and rental models and offices, and for storage and maintenance purposes, provided, that Declarant may maintain and utilize one or more of the Units in property added to the Condominium for such purposes for a two year period of time from the time of the closing of the first sale of a Unit in the property so added; and (iii) one or more Units may be maintained for the use of the Association in fulfilling its responsibilities.

(b) Common Areas Uses. The Common Areas (except the Limited Common Areas) shall be used in common by Unit owners and occupants and their agents, servants, customers, invitees and licensees, in accordance with the purposes for which they are intended, reasonably suited and capable, and as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of Units. Unless expressly provided otherwise herein, no Common Areas shall be used for any purpose other than the health, safety, welfare, convenience, comfort, recreation or enjoyment of Unit owners and occupants.

(c) Limited Common Areas Uses. Those portions of the Common Areas described herein and shown on the Drawings as Limited Common Areas shall be used and possessed exclusively by the Unit owners and occupants of the Unit or Units served by the same, as specified in this Declaration, and shall be used only for the purposes intended.

(d) Visible Areas. Nothing shall be caused or permitted to be hung or displayed on the outside or inside of windows (except interior inoffensive drapes, curtains, or louvered blinds) or placed on the outside walls of a building or otherwise outside of a Unit, or any part thereof, and no awning, canopy, shutter or television or citizens' band or other radio antenna or transmitter, or any other device or ornament, shall be affixed to or placed upon an exterior wall or roof or any part thereof, or the exterior, unless authorized by the Board.

(e) Offensive Activities. No noxious or offensive activity shall be carried on in any Unit, or upon the Common or Limited Common Areas, nor shall any be used in any way or for any purpose which may endanger the health of or unreasonably disturb any occupant.

(f) Vehicles. The Board may promulgate rules and regulations restricting or prohibiting the parking of automobiles, vans, buses, inoperable vehicles, trucks, trailers, boats and recreational vehicles on the Common Areas, or parts thereof, and may enforce such regulations or restrictions by levying enforcement charges, having such vehicles towed away, or taking such other lawful actions as it, in its sole discretion, deems appropriate.

(g) Renting and Leasing. No Unit or part thereof shall be rented or used for transient or hotel purposes, which is defined as: (i) rental for any period less than seven (7) days; (ii) rental under which occupants are provided customary hotel services such as room service for food and beverages, maid service, the furnishing of laundry and linen, busboy service, and similar services; or (iii) rental to roomers or boarders, that is, rental to one or more persons of a portion of a Unit only. No lease may be of less than an entire Unit. Any lease agreement shall be in writing, shall provide that the lease shall be subject in all respects to the provisions hereof, and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the tenant to comply with the terms of the Condominium organizational documents and lawful rules and regulations shall be a default under the lease. Prior to the commencement of the term of a lease the Unit owner shall notify the Board, in writing, the name or names of the tenant or tenants and the time during which the lease term shall be in effect. In addition, in order to assure that the Condominium, from time to time, meets the requirements of institutional first mortgagees and institutional and governmental agency guarantors and mortgage insurers necessary to qualify buyers and owners and/or the Condominium for owner-occupant residential financing, and to maintain the character of the Condominium as primarily a housing community for owner-occupants, the Board, from time to time, may adopt rules limiting or restricting the number of Units in the Condominium that may be rented, provided, that no such rule shall limit or restrict the right of (i) an institutional first mortgagee, insurer, or guarantor which takes title to a Unit by deed in lieu of foreclosure, or a purchaser at a foreclosure sale, or the immediate successor in title to the Unit of that institutional first

mortgagee, insurer, guarantor or purchaser, to rent the Unit(s) so acquired, or (ii) Declarant, or Declarant's assignee who becomes a successor developer of the Condominium to rent a Unit or Units owned by Declarant or such successor.

(h) Signs. No sign of any kind shall be displayed to the public view on the Condominium Property except: (a) on the Common Areas, signs regarding and regulating the use of the Common Areas, provided they are approved by the Board; (b) on the interior side of the window of a Unit, one professionally prepared sign not in excess of nine square feet in size, advertising the Unit for sale or rent; and (c) on the Common Areas and model Units, signs advertising the sale and/or rental of Units by the Declarant during the period of its initial sale and rental of Units.

(i) Replacements. Any building erected to replace an existing building containing Units shall be of new construction, be of comparable structure type, size, design and construction to that replaced, and shall contain a like number of units of comparable size to the Units in the building replaced.

(j) Structural Integrity. Nothing shall be done in any Unit, or in, on or to the Common or Limited Common Areas, which may impair the structural integrity of any improvement.

(k) Construction in Easements. No structure, planting or other material shall be placed or permitted to remain within the easements for the installation and maintenance of utilities and drainage facilities which may damage or interfere with the installation and maintenance of utility lines or which may change the direction of the flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easement areas. The utility facilities within the easement areas shall be subject to the right of the Association to maintain the same, and its right to delegate that right to a public authority or utility.

(l) Animals. Except as hereinafter provided, no animals, livestock or poultry of any kind shall be raised, bred or kept in any Unit or on the Common Areas. Notwithstanding the foregoing, household domestic pets, not bred or maintained for commercial purposes, may be maintained in a Unit, provided that: (i) the maintaining of animals shall be subject to such rules and regulations as the Board may from time to time promulgate, including, without limitation, the right to place limitations on the size, number and type of such pets, and the right to levy enforcement charges against persons who do not clean up after their pets; and (ii) the right of an occupant to maintain an animal in a Unit shall be subject to termination if the Board, in its full and complete discretion, determines that maintenance of the animal constitutes a nuisance or creates a detrimental effect on the Condominium or other Units or occupants.

(m) Conveyances. Each Unit shall be conveyed or transferred (voluntarily or involuntarily) as a separately designated and legally described freehold estate subject to the terms, conditions and provisions hereof. The undivided interest of a Unit in the Common Areas shall be deemed to be conveyed or encumbered with the Unit even though that interest is not expressly mentioned or described in the deed, mortgage or other instrument of conveyance or encumbrance. Any conveyance, encumbrance, judicial sale, or other transfer (voluntary or involuntary) of an interest in the Common Area will be void unless the Unit to which that interest is allocated is also transferred to the same transferee. In any instrument of conveyance or creating an encumbrance, or in any other document legally describing a Unit, it shall be sufficient to lawfully describe a Unit and its interest in the Common Area by referring to the Unit designation of the Unit and the appropriate recording references of the initial page of this Declaration and the Drawings. The right of a Unit owner to sell, transfer or otherwise convey that owner's Unit is not subject to any right of first refusal, and any Unit owner may transfer that owner's Unit free of any such limitation. To enable the Association to maintain accurate records of the names and addresses of Unit owners, each Unit owner agrees to notify the Association, in writing, within five days after an interest in that Unit owner's Unit has been transferred to another person. In addition, each Unit owner agrees to provide

to a purchaser of that owner's Unit a copy of the Condominium organizational documents and all effective rules and regulations.

(n) Discrimination/Handicapped Accommodation. No action shall at any time be taken by the Association or its Board which in any manner would discriminate against any Unit owner in favor of another. In addition, notwithstanding any provision hereof, or any rule or regulation, the Board shall make reasonable accommodation if necessary to afford a handicapped person equal opportunity to use and enjoy the Condominium Property, provided, that nothing contained herein shall be construed to mean or imply that any such accommodation be at the cost of the Association.

(o) Architectural Control. No building, fence, wall, sign or other structure shall be commenced, erected or maintained upon the Condominium Property, or any part thereof, nor shall any exterior addition to or change or alteration therein be made, until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing by the Board or its designated representative or representatives, in its or their sole and unfettered discretion.

(p) Rules and Regulations. In addition to adopting and enforcing rules and regulations in the instances specifically hereinbefore mentioned, the Board may, from time to time, adopt and enforce such further reasonable rules and regulations concerning use of the Condominium Property, or any part thereof, as it deems necessary or desirable to promote harmony, to serve the best interests of the Unit owners, as a whole, and to protect and preserve the nature of the Condominium and the Condominium Property. A copy of all rules and regulations shall be furnished by the Board to the owners of each Unit prior to the time when the same shall become effective.

(q) Disputes Between Owners. In the event of any dispute between Unit owners as to the applications of the foregoing restrictions or any rule or regulation promulgated pursuant thereto, the party aggrieved shall submit a complaint in writing to the Board specifying the dispute. The Board shall set a time, date and place for a hearing thereon within sixty (60) days thereafter, and give written notice to each party thereof no less than three days in advance. The Board shall thereupon hear such evidence on the dispute as the Board deems proper and render a written decision on the matter to each party within thirty (30) days thereafter. No action of any type may be instituted by either party to such a dispute unless the dispute has first been submitted to and determined by the Board, as aforesaid.

ARTICLE IV

Each unit is a ranch style building, and an attached two (2) car garage for each dwelling unit. Dwelling units are separated by common walls, built of wood frame, with custom exterior and interior walls, stone veneer and wood siding, fiberglass shingle roofs, built in contemporary style. The principal materials of which these buildings are constructed are wood, glass, concrete, concrete block, stone veneer, wood siding, fiberglass shingles, and drywall. The buildings are located as shown on the Drawings.

Section 2. Other. On the remainder of the Condominium Property, and a part of it, are a private driveway, parking areas, green landscaped and wooded areas. There are no recreation facilities as a part of the Condominium.

ARTICLE V

UNITS

Section 1. Unit Designations. Each of the dwelling units, each of which is called "a Unit", is designated by a numerical mailing address of that Unit, and is shown on the Drawings where that Unit is located. The location and designation of each Unit is also shown on the sketch plot plan attached hereto as "Exhibit B". Information concerning the Units, with a listing of proper Unit designations, is shown on the attached "Exhibit C".

Section 2. Composition of Units.

(a) Unit Composition. Each Unit constitutes a single freehold estate and consists of the space in the building designated by that Unit's designation on the Drawings that is bounded by the undecorated interior surfaces of the perimeter walls, the unfinished surface of the floor, all projected, if necessary by reason of structural divisions such as interior walls and partitions, to constitute complete enclosures of space, and all improvements within that space. Without limiting the generality of the foregoing, or, as appropriate, in addition, each Unit shall include:

(1) the decorated surfaces, including paint, lacquer, varnish, wall covering, tile and other finishing material applied to floors, ceilings, and interior and perimeter walls, carpeting, if any, and also the floors and ceilings themselves, and the drywall, paneling and other finishing wall material;

(2) all windows, skylights, if any, and screens and doors, including storm doors and windows, if any, and the frames, sashes and jambs, and the hardware therefor;

(3) all fixtures and appliances installed for the exclusive use of that Unit, commencing at the point of disconnection from the structural body of the building and from utility pipes, lines or systems serving the entire building or more than one Unit thereof, including, without limiting the generality hereof, built-in cabinets, dishwashers, garbage disposal units, refrigerators, stoves and hoods, television antennas and cables, furnaces, hot water heaters, heat pumps, air conditioning units (even though located outside the bounds of a Unit), and components of the foregoing, if any;

(4) all plumbing, electric, heating, cooling and other utility or service lines, pipes, wires, ducts, conduits and apparatus, wherever located, which serve only that Unit;

(5) all control knobs, switches, thermostats and electrical outlets and connections affixed to or projecting from the walls, floors and ceilings which service either the Unit or the fixtures located therein;

(6) all interior walls that are not necessary for support of the structure, and all components thereof and all space encompassed thereby; and

(7) where applicable, the portion of fireplaces actually within the interior of a Unit and the vents and dampers therefor accessible from the Unit's interior; and

(8) the attic space or storage space above a Unit, to which the Unit has direct and exclusive access;

excluding therefrom, however, all of the following items, whether or not located within the bounds of that Unit:

- (1) any supporting element of the building contained in interior walls;
- (2) all plumbing, electric, heating, cooling and other utility or service lines, pipes, sump pumps and accessories thereto, wires, ducts and conduits which serve any other Unit; and
- (3) fireplace stacks and chimneys.

(b) Unit Types, Sizes, Locations and Components. The type, composition, and approximate interior area of each type of Unit are shown on the attached Exhibit D. The location, dimensions, type and composition of each Unit are also shown on the Drawings. The type of each Unit is shown on Exhibit C. Each Unit has direct access to a Common Area, which leads directly to West Main Street, a public street.

ARTICLE VI

COMMON AND LIMITED COMMON AREAS

Section 1. Common Areas - Description. All of the Condominium Property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or on the Drawings as a part of a Unit, are Common Areas.

Section 2. Limited Common Areas - Description. Those portions of the Common Areas that are labeled or designated "limited common areas" are on the Drawings, are Limited Common Areas, and consist of decks or patios, porches, and, in the case of each Unit, the parking space or spaces immediately in front of that Unit's garage, and in the case of interior Units, a parking space in an area in front of the building in which the Unit is situated. Each such Limited Common Area is reserved for the exclusive use of the owners and occupants of the Unit it is designed or designated to serve.

Section 3. Undivided Interest. The undivided interest in the Common Areas of each Unit is shown on the attached Exhibit c, and, in each case, is based on each Unit having an equal par value of one. The Common Areas shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Areas. Further, the undivided interest in the Common Areas of a Unit shall not be separated from the Unit to which it appertains.

ARTICLE VII

UNIT OWNERS' ASSOCIATION

Section 1. Establishment of Association. The Association has been formed to be and to serve as the Unit owners' association of the Condominium. The Declarant is presently the sole member of the Association.

Section 2. Membership. Membership in the Unit Owners' Association shall be limited to the Unit owners, and every person or entity who is or becomes a record owner of a fee or undivided fee simple interest in a Unit is a Unit owner and shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from

ownership of any Unit, and transfer of a Unit shall automatically transfer membership to the transferee.

Section 3. Voting Rights. Each Unit owner shall be entitled to one vote for each Unit owned in fee simple, and a proportionate part of a vote for ownership of an undivided fee simple interest in a Unit, provided, that unless timely challenged by an owner of a fee simple interest in a unit, any owner of a fee simple interest in that Unit may cast the entire vote with respect to that Unit. The Board, from time to time, may suspend the right of a member to vote with respect to his, her, or its Unit for failure to pay assessments when due, or for failure to observe other of the terms hereof, the Bylaws, or rules and regulations of the Association, pursuant to rules and regulations duly adopted by the Board from time to time.

Section 4. Board of Trustees. The Board initially shall be those three persons named as the initial Trustees pursuant to the provisions of the Articles, or such other person or persons as may from time to time be substituted by Declarant. No later than the time that Units to which twenty-five percent (25%) of the undivided interests in the Common Areas appertain have been sold and conveyed by the Declarant, the Unit Owners shall meet, and the Unit owners other than the Declarant shall elect one Trustee at such meeting to replace whichever Trustee Declarant designates.

Within the earlier of (a) five years from the date of the establishment of the Association, and (b) thirty (30) days after the sale and conveyance, to purchasers in good faith and for value, of Units to which seventy-five percent (75%) of the undivided interests in the Common Areas appertain, the Association shall meet and all Unit owners, including the Declarant, shall elect six Trustees to replace all of those Trustees earlier elected or designated by the Unit owners or Declarant, respectively. The terms of the six Trustees shall be staggered so that the terms of one-third of the Trustees will expire and successors will be elected at each annual meeting of the Association. Thereafter, at such annual meetings, successors to the two Trustees whose terms then expire shall be elected to serve three-year terms. Notwithstanding the foregoing, the members, by the vote of members exercising not less than a majority of the voting power of members, may, from time to time, change the number and terms of Trustees, provided, that in any such event the terms of not less than one-third of the Trustees shall expire annually.

For purposes of computing undivided interests pursuant to the two immediately preceding paragraphs, those interests shall be computed by comparing the number of Units sold and conveyed to the maximum number of Units that may be in the Condominium.

Notwithstanding the foregoing, Declarant shall have the right at any time to waive its right to select one or more Trustees or to vote in an election of Trustees.

Section 5. Authority. The Board shall have all authority to manage, maintain, repair, replace, alter and improve the Common Areas and assess and collect funds for the payment thereof, and do all things, and exercise all rights provided by the Condominium organizational documents, or the Condominium Act, that are not specifically reserved to Unit owners.

Section 6. Delegation of Authority: Management; Contracts. The Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a common expense, provided, however, that any agreement for professional management shall be terminable by the Association for cause on thirty (30) days' written notice; shall be terminable by either party without cause and without penalty, on not more than ninety (90) days' written notice; shall not exceed one year unless renewed by agreement of the parties for successive one-year periods; and shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing, provided that, in the case of any professional management contract entered into before control of the Association is vested in Unit owners other than Declarant, the contract must give the Association the right to terminate it without cause and without penalty at any

time after control of the Association has been transferred to or assumed by Unit owners other than Declarant. Subject to the foregoing, nothing contained herein shall preclude Declarant or an affiliate of Declarant, as defined by an institutional first mortgagee or an agency or organization which purchases or insures first mortgages, for goods, services, or for any other thing, including, without limiting the generality of the foregoing, contracts for the providing of maintenance and repair services, provided the same are bona fide and commercially reasonable to the Unit owners at the time entered into under the circumstances then prevailing. In any case, no agreement by the Association executed prior to the transfer to or assumption of the Association by Unit owners other than Declarant shall extend more than one year subsequent to that transfer or assumption of control unless renewed by vote of Unit owners pursuant to the provisions of the Bylaws.

ARTICLE IX

MAINTENANCE AND REPAIR

Section 1. Association Responsibility. The Association, to the extent and at such times as the Board, in its exercise of business judgment, determines to allocate funds therefor, shall maintain, repair and replace all improvements constituting a part of the Common Areas, including the Limited Common Areas, and including but not limited to utility facilities serving more than one Unit, utility lines in the Common Areas, lawns, shrubs, trees, walkways, drives, parking areas, fireplace stacks, liners and chimneys, and the structural portions and exterior portions of all buildings and improvements which are a part of the Common Areas, including the Limited Common Areas, and that do not constitute part of a Unit. The Association shall maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements a part of the Common Areas, including the Limited Common Areas. Except to the extent, if any, that a loss is covered by insurance maintained by the Association, the Association shall not have responsibility to repair or maintain any Unit, or component thereof, or personal property within a Unit.

Section 2. Individual Responsibility. Each Unit owner shall repair and maintain the Unit or Units, and all components thereof, owned by that Unit owner. Without limiting the generality of the foregoing, this repair and maintenance responsibility of a Unit owner shall include repair, maintenance and replacement of all windows, screens and doors, including the frames, sashes and jambs, and the hardware therefor. In the event a Unit owner shall fail to make a repair or perform maintenance required of that Unit owner, or in the event the need for maintenance or repair of any part of the Common Areas or Limited Common Areas is caused by the negligent or intentional act of any Unit owner or occupant, or is as a result of the failure of any Unit owner or his, her or its predecessors in title to timely pursue to conclusion a claim under any warranty, express, implied, or imposed by law, the Association may perform the same, and if the cost of such repair or maintenance is not covered by insurance, whether because of a deductible or otherwise, the cost thereof shall

constitute a special individual Unit assessment, as hereinafter defined, on the Unit owned by that Unit owner and on that Unit owner. The determination that such maintenance or repair is necessary, or has been so caused, shall be made by the Board.

ARTICLE X

UTILITY SERVICES

Each Unit owner by acceptance of a deed to a Unit agrees to pay for utility services separately metered or separately charged by the utility company to that Unit, and to reimburse the Association for that owner's Unit's share of any utility cost that the Board reasonably determines is attributable to use by that owner's Unit. All other utility costs shall be common expenses and paid by the Association.

ARTICLE XI

INSURANCE; LOSSES; BONDS

Section 1. Fire and Extended Coverage Insurance. The Board shall have the authority to and shall obtain insurance for all buildings, structures, fixtures and equipment, and common personal property and supplies now or at any time hereafter constituting a part of the Common Areas, the Limited Common Areas, or common property of the Association, against loss or damage by fire, lightning, and such other perils as are ordinarily insured against by standard extended coverage endorsements, and all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normal covered by the standard "all risk" endorsement, where such is available, issued in the locale of the Condominium Property, or, if the policy does not include an "all risks" endorsement, a policy that includes the "broad form" covered causes of loss, in amounts at all times sufficient to prevent the Unit owners from becoming co-insurers under the terms of any applicable co-insurance clause or provision and not less than one hundred percent (100%) of the current insurable replacement cost of such items (exclusive of land, foundations, footings, excavations, and other items normally excluded from coverage). This insurance shall also:

- (a) provide coverage for built-in or installed improvements, fixtures and equipment that are originally installed as part of a Unit, and shall provide for coverage of interior walls, windows and doors and the frames, sashes, jambs and hardware therefor, even though these improvements may be parts of Units;
- (b) have an agreed amount and inflation guard endorsement, when that can be obtained.
- (c) provide that no assessment may be made against a first mortgage lender, or its insurer or guarantor, and that any assessment under such policy made against others may not become a lien on a Unit and its appurtenant interests superior to a first mortgage;
- (d) be written in the name of the Association for the use and benefit of the Unit owners, or its authorized representative, including any insurance trustee with whom the Association has entered into an insurance trust agreement, or any successor to such trustee, for the use and benefit of the individual Unit owners;
- (e) contain or have attached the standard mortgagee clause commonly accepted by institutional first mortgage holders, insurers, and guarantors, which (i) must provide that the carrier shall notify the named insured and each first mortgagee named in the mortgage

clause at least ten days in advance of the effective date of any reduction in, cancellation of, or substantial change in the policy, and (ii) must be endorsed to provide that any loss shall be paid to the Association (or its insurance trustee), as a trustee for each Unit owner and each such Unit owner's mortgagee, and, unless otherwise prohibited by a nationally recognized institutional first mortgage holder, insurer, or guarantor, to the holders of first mortgages on Units;

(f) have a deductible amount no greater than the lesser of ten thousand dollars or one percent of the policy face amount;

(g) be paid for by the Association, as a common expense;

(h) contain a waiver of subrogation of rights by the carrier as to the Association, its officers and Trustees, and all Unit owners;

(i) provide that the insurance shall not be prejudiced by any acts or omissions of individual Unit owners who are not under the control of the Association; and

(j) be primary, even if a Unit owner has other insurance that covers the same loss.

Section 2. Liability Insurance. The Association shall obtain and maintain, at the Association's cost and as a common expense, a commercial policy of general liability insurance covering all of the Common Areas, public ways and any other areas under the Association's supervision, and Units, if any, owned by the Association, even if leased to others, insuring the Association, the Trustees, and the Unit owners and occupants, with such limits as the Board may determine, but no less than the greater of (a) the amounts generally required by institutional first mortgage holders, insurers, and guarantors for projects similar in construction, location and use, and (b) one million dollars, for bodily injury, including deaths of persons, and property damage, arising out of a single occurrence. This insurance shall contain a "severability of interest" provision, or, if it does not, an endorsement which shall preclude the insurer from denying the claim of a Unit owner because of negligent acts of the Association, the Board, or other Unit owners, and shall include, without limitation, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons resulting from the operation, maintenance or use of the Common Areas, and legal liability arising out of lawsuits related to employment contracts in which the Association is a party. Each such policy must provide that it may not be canceled or substantially modified, by any party, without at least ten days' prior written notice to the Association and to each holder of a first mortgage on a Unit.

Section 3. Fidelity Coverage. The Board shall obtain and maintain, at the Association's cost and as a common expense, fidelity insurance providing coverage for the Association against dishonest acts on the part of directors, managers, trustees, employees, agents, and volunteers responsible for or handling funds belonging to or administered by the Association. The fidelity insurance policy must name the Association as the named insured and shall be written in an amount sufficient to provide protection, which is in no event less than the greater of (a) an amount equal to the Association's reserve funds plus three months' assessments on all Units, and (b) the maximum amount that will be in the custody of the Association or its managing agent at any time while the policy is in force. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. The policy shall provide that it shall not be canceled or substantially modified (including cancellation for non-payment of premium) without at least ten days' prior written notice to the Association, and any insurance trustee, and any servicer on behalf of any holder, guarantor or insurer of any mortgage on a Unit who requires such rights.

Any management agent who handles funds of the Association shall maintain a policy of fidelity insurance providing coverage no less than that required of the Association, which bond or insurance policy names the Association as an additional obligee.

Section 4. Hazard Insurance Carrier. Each policy of hazard insurance obtained pursuant hereto shall be obtained from an insurance company authorized to write such insurance in the State of Ohio which has a B general policyholder's rating or a financial performance index of 6 or better, as evidenced in the then latest edition of Best's Key Rating Guide, or its successor guide, or an A or better rating from Demotech, Inc., or the insurer is reinsured by a company that meets those rating requirements and the insurer and reinsurer execute an assumption of liability agreement or a similar endorsement providing for 100 percent reinsurance of the insurer's policy and requiring the reinsurer to give the Unit owner, the first mortgage lender, and the insurer 90 days' written notice before canceling or otherwise terminating the reinsurance, or the coverage is underwritten by Lloyd's of London.

Section 5. Other Association Insurance. In addition, the Board may purchase and maintain, at the Association's cost and as a common expense, contractual liability insurance, trustees' and officers' liability insurance, and such other insurance as the Board may determine.

Section 6. Insurance Representative: Power of Attorney. There may be named, under any policy obtained by the Association, as an insured on behalf of the Association, its authorized representative, including any trustee with whom the Association may enter into any insurance trust agreement, or any successor to such trustee, who shall have exclusive authority to negotiate losses under any such policy. Each Unit owner, by acceptance of a deed to a Unit, irrevocably appoints the Association or such designated representative, or such successor, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or such designated representative, or such successor, shall receive, hold or otherwise properly dispose of any proceeds of insurance, in trust, for Unit owners and their first mortgage holders, as their interest may appear. This power is for the benefit of each and every Unit owner, and their respective first mortgage holders, and the Association, and the Condominium, runs with the land, and is coupled with an interest.

Section 7. Unit Owners' Insurance. Any Unit owner or occupant may carry such insurance in addition to that provided by the Association pursuant hereto as that Unit owner or occupant may determine, subject to the provisions hereof, and provided that no Unit owner or occupant may at any time purchase individual policies of insurance against loss by fire or other casualty covered by the insurance carried pursuant hereto by the Association. In the event any Unit owner or occupant violates this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Unit owner who acquired or whose occupant acquired such other insurance, who shall be liable to the Association to the extent of any diminution and/or loss of proceeds. Without limiting the foregoing, a Unit owner or occupant may obtain insurance against liability for events occurring within a Unit, losses with respect to personal property and furnishings, and losses to improvements owned by the Unit owner or occupant, provided that if the Association obtains insurance for permanent improvements and built-in fixtures and equipment, then the insurance obtained by the Unit owner with respect to improvements within the Unit shall be limited to the type and nature of coverage commonly referred to as "tenants' improvements and betterments". All such insurance separately carried shall contain a waiver of subrogation rights by the carrier as to the Association, its officers and Trustees, and all other Unit owners and occupants.

Section 8. Sufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril insured against and the proceeds of any policy or policies insuring against such loss or damage and payable by reason thereof shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken by the Association and the insurance proceeds shall be used in payment therefor; provided, however, that in the event that within sixty (60) days after such damage or destruction the Unit owners and eligible mortgagees, if they are entitled to do so pursuant to the provisions of this Declaration, shall elect to terminate the Condominium, then such repair, restoration or reconstruction shall not be undertaken.

Section 9. Insufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril which is not insured against, or, if insured against, the insurance proceeds from which shall not be sufficient to pay the cost of repair, restoration or reconstruction, then, unless the Unit owners and eligible mortgagees if they are entitled to do so pursuant to the provisions of this Declaration, shall elect within sixty (60) days after such damage or destruction not to make such repair, restoration or reconstruction, the Association shall make repairs, restoration or reconstruction of the Common Areas so damaged or destroyed at the expense (to the extent not covered by insurance) of all Unit owners in proportion to their respective undivided interests in the Common Areas. Should any Unit owner refuse or fail after reasonable notice to pay that Unit owner's share of such cost in excess of available insurance proceeds, the amount so advanced by the Association shall be assessed against the Unit of such Unit owner and that assessment shall have the same force and effect, and, if not paid, may be enforced in the same manner as herein provided for the nonpayment of assessments.

Section 10. Lender Requirements. Notwithstanding the foregoing provisions of this Article, the Association shall at all times maintain hazard insurance, liability insurance, and fidelity insurance coverage conforming with the requirements then governing the making of a first mortgage loan, or the purchase, guaranty, or insurance of first mortgages, by national institutional lenders, guarantors or insurers of first mortgage loans on condominium units.

ARTICLE XII

DAMAGE; RESTORATION; REHABILITATION AND RENEWAL; TERMINATION

Section 1. Restoration of Substantial Damage or Destruction. In the event of substantial damage to or destruction of all Units in a residential building, or the taking of one or more Units in any condemnation or eminent domain proceedings, the Association shall promptly restore or replace the same, unless an election is made not to do so, as hereinafter provided.

Section 2. Election Not to Restore; Termination. The Association may, with the consent of Unit owners entitled to exercise not less than eighty percent (80%) of the voting power of Unit owners, and the consent of eligible mortgagees hereinafter provided, both given within sixty (60) days after damage or destruction, determine not to repair or restore the damage or destruction, and to terminate the Condominium. In any such an event, all of the Condominium Property shall be sold as upon partition. In the event of such an election not to repair or restore substantial damage or destruction or reconstruct such Unit or Units, the net proceeds of insurance paid by reason of such damage or destruction, or the net amount of any award or proceeds of settlement arising from such proceedings, together with the proceeds received from the sale as upon partition, or in the case of an election otherwise to terminate the Condominium, the net proceeds from the partition sale, shall be distributed among the owners of the Units, and the holders of their respective first mortgage liens, (as their interests may appear), in the proportions of their undivided interests in the Common Areas.

Section 3. Rehabilitation and Renewal. The Association, with the consent of Unit owners entitled to exercise not less than seventy-five percent (75%) of the voting power of Unit owners, and the consent of eligible mortgagees hereinafter provided, may determine that the Condominium is obsolete in whole or in part and elect to have the same renewed and rehabilitated. The Board shall thereupon proceed with such renewal and rehabilitation and the cost thereof shall be a common expense.

ARTICLE XIII
CONDEMNATION

Section 1. Standing. Except as hereinafter provided, the Association, or its designated representative, or authorized successor, as trustee, shall represent the Unit owners in any condemnation or eminent domain proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of all or any part of the Condominium Property, and shall have the sole and exclusive right to settle losses with the condemning authority and to receive the award or proceeds of settlement, for the use and benefit of the Unit owners and their mortgagees as their interests may appear. Notwithstanding the foregoing, in the event that a Unit owner may lawfully separately pursue and realize upon a claim for incidental and consequential losses or damage to that Unit owner resulting from a taking under the power of eminent domain, such as for relocation and moving expenses, loss of favorable mortgage terms, and other such individual incidental or consequential losses, that Unit owner may, at his, her or its election, separately pursue such claim, provided, that the pursuing of the same, or the realization of an award thereof, neither jeopardizes, in any way, an action by the Association to recoup the losses incurred by it, or any other Unit owner, or the direct loss with respect to the Unit itself, or with regard to the usability thereof, nor diminishes any award for any such loss.

Section 2. Use of Proceeds. The award or proceeds of settlement in any actual or threatened condemnation or eminent domain proceedings, after reduction by the costs, if any, incurred in obtaining the same, shall be applied first to the cost of restoring or replacing all damaged or taken improvements on the remaining Condominium Property in accordance with the Drawings, or in accordance with any new plans and specifications therefor approved by Unit owners exercising no less than seventy-five percent (75%) of the voting power of Unit owners, and the consent of eligible mortgagees hereinafter provided.

Section 3. Insufficient Proceeds. If the award or proceeds are insufficient for such purpose, the excess cost shall be paid by the Association and, to the extent funds of the Association are insufficient therefor, in the judgment of the Board, such excess cost shall be a common expense and assessed among the Units in the same manner as special assessments for capital improvements are assessed. Except as hereinafter provided, the balance of any such award or proceeds of settlement, if there is an excess, shall be allocated and disbursed to the Unit owners, and their first mortgagees, as their interests may appear, in proportion to the relative undivided interests of the Units in the Common Areas.

Section 4. Non-Restorable Unit. Notwithstanding the foregoing, in the event that as a result of any such taking, and consequent restoration or replacement, any Unit could not reasonably be restored to a condition comparable to that which existed prior to the taking, or could not be replaced, prior to the allocation and disbursement of any sum to any other Unit owner or his, her or its mortgagee, there shall be restored or replaced, and his, her or its respective first mortgagee, as their interests may appear, such amount as is equal to the then fair market value of the Unit that cannot be so restored or replaced. Thereupon, such Unit or Units, and the owners thereof, shall be immediately and automatically divested of any interest in the Condominium, the Condominium property, and the Association, including, without limiting the generality of the foregoing, divestment of an undivided interest, vote, membership in the Association, and liability for common expenses. All such right and interests shall be reallocated among all other Units and Unit owners in the same relative proportions as those rights and interests were prior to such taking. To illustrate, upon a Unit being divested from the Condominium, (a) the voting right of that Unit will be equally allocated among all other Units, since each Unit prior thereto had an equal vote, and (b) the undivided interest of that Unit will be reallocated among all other Units in the proportions of their relative undivided interests prior to such taking.

Section 5. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the Association, or its designated representative, as his, her or its attorney-in-fact to represent that Unit

owner, settle losses, receive and utilize the award or proceeds of settlement, and do all things necessary or desirable for such attorney-in-fact to exercise the rights and fulfill the responsibilities of the Association set forth in this Article with respect to condemnation or eminent domain proceedings. This power is for the benefit of each and every Unit owner, each holder of a first mortgage on a Unit, the Association, and the real estate to which it is applicable, runs with land, is coupled with an interest, and is irrevocable.

ARTICLE XIV

GRANTS AND RESERVATIONS OF RIGHTS AND EASEMENTS

Section 1. Easements of Enjoyment; Limitations. Every Unit owner shall have a right and easement of enjoyment in, over and upon the Common Areas and an unrestricted right of access to and from his, her or its Unit, which rights and easements shall be appurtenant to and shall pass with the title to a Unit, subject to the right of the Board to make reasonable rules and regulations concerning the use and management of the Common Areas and the Limited Common Areas, provided that no such rule or regulation shall limit or prohibit the right of ingress and egress to a Unit, or any part thereof, or to that Unit's parking facilities. Each Unit owner shall be deemed to have delegated that Unit owner's right of enjoyment to the Common Areas and to ingress and egress to the occupants of that owner's Unit.

Section 2. Right of Entry for Repair, Maintenance and Restoration. The Association shall have a right of entry and access to, over, upon and through all of the Condominium Property, including each Unit and the Limited Common Areas, to enable the Association to perform its obligations, rights and duties pursuant hereto with regard to maintenance, repair, restoration and/or servicing of any items, things or areas of or in the Condominium Property. In the event of an emergency, the Association's right of entry to a Unit and its appurtenant Limited Common Areas may be exercised without notice; otherwise, the Association shall give the owners or occupants of a Unit no less than twenty-four hours advance notice prior to entering a Unit or its appurtenant Limited Common Areas.

Section 3. Easements for Encroachments. Each Unit and the Common Areas and Limited Common Areas shall be subject to and benefited by easements for encroachments on or by any other Unit and upon the Common Areas and Limited Common Areas created or arising by reason of overhangs; or by reason of deviations in construction, reconstruction, repair, shifting, settlement, or other movement of any portion of the improvements; or by reason of errors on the Drawings. Valid easements for these encroachments and for the maintenance of same, as long as the physical boundaries of the Units after the construction, reconstruction, repairs, etc. will be in substantial accord with the description of those boundaries that appears herein or on the Drawings, shall and do exist so long as the encroachments remain.

Section 4. Easement for Support. Every portion of a building or utility line or any improvement on any portion of the Condominium Property contributing to the support of another building, utility line or improvement on another portion of the Condominium Property shall be burdened with an easement of support for the benefit of all other such buildings, utility line, improvements and other portions of the Condominium Property.

Section 5. Easements for Proper Operations. Easements to the Association shall exist upon, over and under all of the Condominium Property for ingress to and egress from, and the installation, replacing, repairing and maintaining of, all utilities, including, but not limited to water, sewer, gas, telephone, electricity, security systems, master television antennas and cable television, and the road system and all walkways, and for all other purposes necessary for the proper operation of the Condominium Property. By these easements it shall be expressly permissible for the Association to grant to the appropriate public authorities and/or the providing companies and contractors permission to construct and maintain the necessary appurtenances and improvements on, above, across and under the Condominium Property, so long as such appurtenances and improvements do not unreasonably interfere with the use and enjoyment of the Condominium Property. Should any

public authority or other company furnishing a service request a specific easement, permit, or license, the Board shall have the right to grant such easement, permit, or license without conflicting with the terms hereof. In addition, in the event the Board determines that the grant of easement rights to others is in the best interests of the Association, the Association shall have the right to grant the same, provided that use of the same would not, in the sole judgment of the Board, unreasonably interfere with the use and enjoyment of the Condominium Property by owners and occupants.

Section 6. Easement for Services. Non-exclusive easements are hereby granted to all police, firemen, ambulance operators, mailmen, delivery men, garbage and trash removal personnel, and all similar persons, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the Common Areas in the performance of their duties, subject to such reasonable rules and regulations as the Board may establish, from time to time.

Section 7. Easements Reserved to Declarant. Non-exclusive easements are hereby reserved to Declarant, its successors and assigns, over and upon the Common Areas and Limited Common Areas (a) for a one year period of time from the date of the closing by Declarant of the first sale of a Unit to a bona fide purchaser, for access to and for the purpose of completing improvements for which provision is made in this Declaration, provided that such right of access shall be to the extent, but only to the extent, that access thereto is not otherwise reasonably available, (b) for the periods provided for warranties hereunder or by law, for purposes of making repairs required pursuant to those warranties hereunder or by law, for purposes of making repairs required pursuant to those warranties or pursuant to contracts of sale made with Unit purchasers, and (c) for the initial sales and rental period, but for no longer than two years from the time of the closing of the first sale of a Unit to a bona fide purchaser, to maintain and utilize one or more Units and appurtenances thereto, for sales and management offices and for storage and maintenance, and model Units, parking areas for sales and rental purposes, and advertising signs.

In addition, a non-exclusive perpetual easement is hereby reserved to Declarant, its successors and assigns, for their benefit and the benefit of future owners and occupants of the area into which the Condominium may be expanded (the Additional Property) for pedestrian and vehicular access over the streets and walkways that may from time to time be a part of the Condominium Property, for ingress to and egress from the Additional Property, and each part thereof, and a public street, and to extend the same onto the Additional Property. The Association, at all times, shall maintain an unimpeded route of vehicular and pedestrian ingress and egress over and upon the Condominium Property to and from the Additional Property and a public street. Additionally, Declarant, for itself and its successors and assigns, reserves the right until such time as control of the Condominium property is assumed by the Association, to extend utility lines from the Common Areas onto the Additional Property, and thereafter to service and maintain the same.

All rights and easements reserved to Declarant, its successors and assigns, pursuant to this section, shall be exercised and utilized, as the case may be, in a reasonable manner, and in such way as not to unreasonably interfere with the operation of the Association and the rights of owners and occupants of Units.

Section 8. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the Association or its designated representative, as his, her or its attorney-in-fact, to execute, deliver, acknowledge and record, for and in the name of such Unit owner, such deeds of easement, licenses, permits, and other instruments as may be necessary or desirable, in the sole discretion of the Board, or its authorized representative, to further establish or effectuate the foregoing easements and rights. This power is for the benefit of each and every Unit owner, the Association, and the real estate to which it is applicable, runs with the land, is coupled with an interest, and is irrevocable.

Section 9. General. The easements and grants provided here in shall in no way affect any other recorded grant or easement. Failure to refer specifically to any or all of the easements and/or rights described in this Declaration in any deed of conveyance or in any mortgage or other evidence of

obligation shall not defeat or fail to reserve said rights or easements but the same shall be deemed conveyed or encumbered, as the case may be, along with the Unit.

ARTICLE XV

ASSESSMENTS AND ASSESSMENT LIENS: RESERVE FUNDS

Section 1. Types of Assessments. The Declarant for each Unit within the Condominium hereby covenants and agrees, and each Unit owner by acceptance of a deed to a Unit (whether or not it shall be so expressed in such deed) is deemed to covenant and agree, to pay to the Association: (a) annual operating assessments, (b) special assessments for capital improvements, and (c) special individual Unit assessments, all of such assessments to be established and collected as hereinafter provided.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote and provide for the health, safety and welfare of Unit owners and occupants and the best interests of the Condominium Property.

Section 3. Elements-Appportionment: Due Dates.

(a) Annual Operating Assessments.

(1) Prior to the time any Unit owner is to be charged assessments by the Association, and in any event within sixty (60) days after the first closing of the sale of a Unit by Declarant and prior to the beginning of each fiscal year of the Association after the period for which the assessments are first levied, the Board shall estimate, and prorate among all Units and their owners on the basis of the undivided interest of each Unit in the Common Areas, common expenses of the Association, consisting of the following:

a. the estimated next fiscal year's cost of the maintenance, repair, and other services to be provided by the Association;

b. the estimated next fiscal year's costs for insurance premiums to be provided and paid for by the Association;

c. the estimated next fiscal year's costs for utility services not separately metered or charged to Unit owners;

d. the estimated amount required to be collected to maintain a working capital reserve fund, to assure availability of funds for normal operations of the Association, in an amount deemed adequate by the Board, but in no event less than an amount equal to two months' currently estimated assessments on all Units;

e. an amount deemed adequate by the Board to maintain a reserve for the cost of unexpected repairs and replacements of capital improvements and for the repair and replacement of major improvements for which cash reserves over a period of time in excess of one year ought to be maintained; and

f. the estimated next fiscal year's costs for the operation, management and administration of the Association, including, but not limited to, fees for property management, fees for legal and accounting services, costs of mailing, postage, supplies and materials for operating the Association, and the salaries, wages, payroll charges and other costs to perform these services, and any other costs constituting common expenses not otherwise herein specifically excluded.

(2) The Board shall thereupon allocate to each Unit that Unit's share of all of these items, prorated in accordance with each respective Unit's undivided interest in the Common Areas, and thereby establish the annual operating assessment for each separate Unit. For administrative convenience, any such assessment may be rounded so that monthly installments will be in whole dollars.

(3) The annual operating assessment shall be payable in advance, in equal monthly installments, provided that nothing contained herein shall prohibit any Unit owner from prepaying assessments in annual, semiannual, or quarterly increments. The due dates of any such installments shall be established by the Board, or, if it fails to do so, an equal monthly pro rata share of the annual operating assessment for a Unit shall be due the first day of each month.

(4) If the amounts so collected are, at any time, insufficient to meet all obligations for which those funds are to be used, the deficiency shall be assessed by the Board among the Units on the same basis as heretofore set forth, provided, that if common expenses are incurred by the Association prior to the time the Association commences to levy assessments against Units, Declarant shall pay the same (subject to its right, if any, to reimbursement from Unit purchasers contained in individual contracts for the sale of a Unit or Units).

(5) If assessments collected during any fiscal year are in excess of the funds necessary to meet the anticipated expenses for which the same have been collected, the excess shall be retained as reserves, or as reductions in future assessments, as determined by the Board, in its sole discretion, and shall in no event be deemed profits nor available, except on dissolution of the Association, for distribution to Unit owners.

(6) So long as the Declarant is in control of the Association, Declarant shall not use any part of the working capital reserve fund to defray Declarant's expenses, reserve contributions or construction costs, or to make up any budget deficits, and shall maintain the working capital reserve fund in a segregated account and transfer the same to the Association at or prior to the time Unit owners other than Declarant control the Association. Each Unit's share of the working capital reserve fund shall be collected either at the time the sale of the Unit is closed or when control of the Association is vested in Unit owners other than Declarant, whichever is earlier, without prejudice to Declarant's right to recover its contribution from purchasers of Units from Declarant subsequent to such vesting of control.

(b) Special Assessments for Capital Improvements.

(1) In addition to the annual operating assessments to construct, reconstruct or replace capital improvements on the Common Areas to the extent that reserves therefor are insufficient, provided that new capital improvements not replacing existing improvements (except new capital improvements required to comply with applicable law or governmental regulation, or to correct any deficiency or defect creating a safety or health hazard to occupants) shall not be constructed nor funds assessed therefor, if the cost thereof in any fiscal year would exceed an amount equal to five percent (5%) or more of that fiscal year's budget, without the prior consent of Unit owners exercising not less than seventy-five percent (75%) of the voting power of Unit owners and the consent of eligible mortgagees hereinafter provided.

(2) Any such assessment shall be prorated among all Units in proportion to their respective undivided interests in the Common Areas, and shall become due and payable on such date or dates as the Board determines following written notice to the Unit owners.

(c) Special Individual Unit Assessments. The Board shall levy assessments against an individual Unit, or Units, and the owner or owners thereof, to reimburse the Association for those costs incurred in connection with that Unit or Units properly chargeable by the terms hereof to a particular Unit (such as, but not limited to, the cost of making repairs the responsibility of a Unit owner, and a Unit owner's interest, late charge, enforcement, and arbitration charges). Any such assessment shall become due and payable on such date as the Board determines, and gives written notice to the Unit owners subject thereto. Additionally, during the first years of the Condominium's existence, and until such time as real estate taxes and assessments are split into separate tax bills for each Unit, the Association shall have the right to pay the real estate taxes and assessments attributable to the Condominium Property in the event the same have not been paid, when due, and assess each Unit owner for his, her or its share of such real estate taxes and assessments as a special individual Unit assessment. The share of those taxes and assessments attributable to a Unit shall be computed by multiplying the total taxes and assessments for all of the Condominium Property by the undivided interest in Common Areas attributable to that Unit. The calculation by the Association of the Units' shares of taxes and assessments shall be binding upon all Unit owners.

Section 4. Effective Date of Assessment. Any assessment created pursuant hereto shall be effective, provided it is created as provided herein, if written notice of the amount thereof is sent by the Board to the Unit owner subject thereto at least ten (10) days prior to the due date thereof, or if to be paid in installments, the due date of the first installment thereof. Written notice mailed or delivered to a Unit owner's Unit shall constitute notice to that Unit owner, unless the Unit owner has delivered written notice to the Board of a different address for such notices, in which event the mailing of the same to that last designated address shall constitute notice to that Unit owner.

Section 5. Effect of Nonpayment of Assessment:Remedies of the Association.

(a) If any installment of an assessment is not paid within at least ten (10) days after the same is due, the entire unpaid balance of the assessment shall immediately become due and payable, without demand or notice, unless the Board, in its sole discretion, determines not to accelerate the installments.

(b) If any installment of an assessment is not paid within ten (10) days after the same is due, the Board, at its option, and without demand or notice, may (i) charge interest on the entire unpaid balance (including the accelerated portion thereof) at such rate as the Board, from time to time, establishes by rule; or if the Board fails to establish a rate by rule, at the rate of eight percent (8%) per annum, (ii) charge a reasonable, uniform, late fee, as established from time to time by the Board, by rule, and (iii) charge the cost of collection, including attorney fees and other out-of-pocket expenses.

(c) Annual operating and both types of special assessments, together with interest, late fees, and costs, including attorney fees, shall be a charge in favor of the Association upon the Unit against which each such assessment is made.

(d) At any time after any assessment or an installment of an assessment levied pursuant hereto remains unpaid for thirty (30) or more days after the same has become due and payable, a certificate of lien for the unpaid balance of that assessment, including all future installments thereof, interest, late fees, and costs, including attorney fees, may be filed with the recorder of the county in which the Condominium Property is located, pursuant to authorization given by the Board. The certificate shall contain a description or other sufficient legal identification of the Unit against which the lien exists, the name or names of the record owner or owners thereof, and the amount of the unpaid portion of the assessments and charges, and shall be signed by the president or other chief officer of the Association.

(e) The lien provided for herein shall become effective from the time a certificate of lien or renewal certificate was duly filed therefor, and shall continue for a period of five (5) years unless sooner released or satisfied in the same manner provided by law in the State of Ohio for the release and satisfaction of mortgages on real property, or discharged by the final judgment or order of a court in an action brought to discharge the lien.

(f) Any Unit owner who believes that an assessment chargeable to his, her or its Unit (for which a certificate of lien has been filed by the Association) has been improperly charged against that Unit, may bring an action in the court of common pleas of the county in which the Condominium Property is located for the discharge of that lien. In any such action, if it is finally determined that all or a portion of the assessment has been improperly charged to that Unit, the court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien.

(g) Each such assessment together with interest, late fees, and costs, including attorney fees, shall also be the joint and several personal obligation of the Unit owners who owned the Unit at the time when the assessment fell due. The obligation for delinquent assessments, interest, late charges and costs shall not be the personal obligation of that owner or owners' successors in title unless expressly assumed by the successors, or required by applicable law, provided, however, that the right of the Association to a lien against that Unit, or to foreclose any lien thereon for these delinquent assessments, interest, late charges and costs, shall not be impaired or abridged by reason of the transfer, but shall continue unaffected thereby, except as provided in Section 6 of this Article.

(h) The Association, as authorized by the Board, may file a lien or liens to secure payment of delinquent assessments, interest, late fees, and costs, including attorney fees, bring an action at law against the owner or owners personally obligated to pay the same, and an action to foreclose a lien, or any one or more of these. In any foreclosure action, the owner or owners affected shall be required to pay a reasonable rental for that Unit during the pendency of such action, and the Association as plaintiff in any such foreclosure action shall be entitled to become a purchaser at the foreclosure sale. In any such foreclosure action, interest and costs of such action (including attorneys' fees) shall be added to the amount of any such assessment, to the extent permitted by Ohio law.

(i) No claim of the Association for assessments and charges shall be subject to setoffs, off sets, or counterclaims.

(j) No owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Areas, or any part thereof, or by abandonment of his, her or its Unit.

Section 6. Subordination of the Lien to First Mortgages. The lien of the assessments and charges provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage on a Unit recorded prior to the date on which such lien of the Association arises, and any holder of such first mortgage which comes into possession of a Unit pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid installments of assessments and charges against the mortgaged Unit which became due and payable prior, in the case of foreclosure, to the date of the sale, and, in all other cases, to the date legal title vested in the successor owner. The foregoing will not relieve any successor owner from the obligation for assessments accruing thereafter.

Section 7. Certificate Regarding Assessments. The Board shall, upon demand, for a reasonable charge, furnish a certificate signed by the president, treasurer, secretary or other designated representative of the Association, setting forth whether the assessments on a specified Unit have been paid. This certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

ARTICLE XVI

CONDOMINIUM INSTRUMENT REQUIREMENTS

Section 1. General. The Condominium Act and institutional mortgagees require that certain information and lawfully binding obligations be set forth in the Condominium instruments. Much of this is provided elsewhere in the Condominium organizational documents and in other documents, but in order that all such information and obligations be provided in this Declaration, various items of that information and of those obligations are set forth in the following sections of this article.

Section 2. Deposits. Any deposit or down payment made in connection with a sale of a Unit by Declarant or its agent will be held in trust or escrow until delivered at the time of the closing of the sale or returned to or otherwise credited to the buyer, or forfeited to the Declarant. If, in the case of any such sale, a deposit or down payment of two thousand dollars or more is held for more than ninety (90) days interest at the rate of at least four percent per annum for any period exceeding ninety (90) days shall be credited to the buyer at the time of the closing of the sale or upon return or other credit made to the buyer, or added to any forfeiture to the Declarant. Deposits held in trust or escrow pursuant to sales by Declarant or its agent shall not be subject to attachment by creditors of Declarant or the buyer.

Section 3. Association Control. Except in its capacity as a Unit owner of unsold Units, the Declarant or its agent will not retain a property interest in any of the Common Areas after control of the Association is assumed by the Association, except as expressly provided herein. The owners of Units that have been sold by the Declarant or its agent will assume control of the Association and the Common Areas, as elsewhere provided herein, in compliance with the requirements of the Condominium Act.

Section 4. Limited Warranties. Declarant provides to each purchaser of a Unit from it certain limited warranties which are described in a development statement provided to each purchaser at or prior to the time the purchaser enters into a contract to purchase a Unit.

Section 5. Declarant's Obligations. Declarant will be vested with the rights and be subject to the duties of a Unit owner in its capacity as owner of Units not yet sold, set forth herein, or in any other Condominium instrument, or established by law, including, without limitation, the obligation to pay common expenses attaching to such Units, from a date no later than that upon which common expenses are first charged with respect to any other Unit.

Section 6. Unit Owners' Right and Obligations. Each Unit owner will be vested with the rights and be subject to the duties of a Unit owner set forth herein, or in any other Condominium instrument, or established by law, during the time of that owner's ownership of a fee simple interest in a Unit.

ARTICLE XVII

EXPANSIONS

Section 1. Reservation of Expansion Option. Declarant expressly reserves the option to expand the Condominium Property but only within the limitations, and subject to the terms, set forth in this article.

Section 2. Limitations on Option. Declarant has no limitation on its option to expand the Condominium Property except as provided in this article. Declarant intends to reserve the maximum expansion rights permitted under the Condominium Act with respect to the Additional Property and to disclaim any limitations on expansions. Declarant maintains the sole right, power, and authority to expand or not to expand the Condominium Property

Section 3. Maximum Expansion Time. Except as hereinafter provided, Declarant's option to expand the Condominium Property shall expire and terminate at the end of seven years from the date this Declaration is filed for record. Notwithstanding the foregoing, Declarant, with the consent of a majority of the Unit owners other than it, may extend its option to expand the Condominium Property for an additional seven years, if it exercises its right to so renew within six months prior to the expiration of that initial seven year period. Declarant shall have the right to waive its option to expand at any time. There are no other circumstances that will terminate the option prior to the expiration of the time limit.

Section 4. Legal Description. Legal descriptions, by metes and bounds, of all of the land that, through exercise of Declarant's option, may be added to the Condominium Property by submission to the Condominium Act as part of this condominium, are set forth in the exhibit attached hereto and marked "Exhibit E", and, together with any improvements placed thereon and added hereto, is referred to herein as "the Additional Property".

Section 5. Composition of Portions Added. There are no requirements (a) that all, or a particular portion, of the Additional Property must be added to the Condominium Property, or (b) that if any Additional Property is added, all or a particular portion of the Additional Property must be added. On the contrary, there are no limitations as to the portions of the Additional Property that may be added to the Condominium Property.

Section 6. Time for Adding Portions. Portions of the Additional Property may be added to the Condominium Property from time to time, and at different times, within the time limits previously described.

Section 7. Improvement Location Limitations. There are no limitations, except those provided by applicable zoning laws, as to the location of any improvements that may be made on any portion of the Additional Property added to the Condominium Property.

Section 8. Maximum Number of Units. The maximum total number of Units that may be created on the Additional Property and added to the Condominium Property is 52, provided, that the foregoing shall neither limit nor restrict nor be so construed as to limit or restrict the number of dwelling units or other improvements that may be constructed on all or any portion of the Additional Property that is not added to the Condominium Property. Subject to the foregoing total maximum of Units that may be added to the Condominium Property, there is no limit as to the maximum number of units per acre that may be created on any portion of the Additional Property added to the Condominium Property other than as may, from time to time, be imposed by law.

Section 9. Non-Residential Uses. No Units may be created on the Additional Property or portions thereof and added to the Condominium Property that are not restricted exclusively to residential use.

Section 10. Compatibility of Structures. Any structures erected on any portion of the Additional Property added to the Condominium Property need not be compatible with structures on the originally submitted property in terms of quality of construction, the principal materials to be used, or architectural style.

Section 11. Improvements Other than Structures. With respect to all improvements to any portion of the Additional Property added to the Condominium Property, other than structures, (a) no other improvements must be made and (b) there are no restrictions or limitations on the improvements that may be made.

Section 12. Types of Units. With respect to all Units created on any portion of the Additional Property added to the Condominium Property, (a) those Units need not be substantially identical to Units on previously submitted land and (b) there are no limitations, other than applicable zoning laws, as to what types of Units may be created on the Additional Property.

Section 13. Limited Common Areas. Declarant reserves the right to designate Limited Common Areas and Facilities within any portion of the Additional Property added to the Condominium Property and to designate Common Areas and Facilities within each portion that may subsequently be assigned as Limited Common Areas and Facilities, without limitation as to the types, sizes or maximum number of such areas and facilities in each portion.

Section 14. Supplementary Drawings. Attached hereto and marked "Exhibit F" is a plot plan showing the location and dimensions of the Condominium Property and the Additional Property. Declarant does not consider any other drawings or plans presently appropriate in supplementing the foregoing provisions of this article. However, at such time as Declarant adds all or any portion of the Additional Property to the Condominium Property it shall file drawings with respect to the Additional Property as required by the Condominium Act.

Section 15. Procedures for Expansion. All or any portion of the Additional Property shall be added to the Condominium Property by the execution and filing for record by the Declarant, or its successor as owner of the portion added and as assignee of the right to expand the Condominium, in the manner provided by the Condominium Act, of an amendment to the Declaration that contains the information and drawings with respect to the Additional Property and improvements thereon added required by the Condominium Act.

Section 16. Effects of Expansion. Except as hereinafter specifically provided otherwise, upon the recording with the appropriate county recorder of an amendment to the Declaration adding all or any portion of the Additional Property to the Condominium Property:

- (a) the added portion shall thereafter be subject to and benefited by all of the terms and provisions hereof, to the same extent and with the same effect as if that added portion had been provided herein as constituting part of the Condominium Property, that is, the rights, easements, covenants, restrictions, and assessment plan set forth herein shall run

with, bind, and benefit the added portion in the same manner, to the same extent, and with the same force and effect as the terms of this Declaration apply to the Condominium Property, provided, that non-exclusive easements are reserved to Declarant, its successors and assigns, over and upon the Common Areas and Limited Common Areas in property added to the Condominium (i) for a one year period of time from the date of the closing by Declarant of the first sale of a Unit in that property added to a bona fide purchaser, for access to and for the purpose of completing improvements in that portion added, (ii) for the periods provided for warranties, or by law, for purposes of making repairs required pursuant to warranties, and (iii) for the initial sales and rental period for Units in that property added, but for no longer than two years from the time of closing of the first sale of a Unit in that property added to a bona fide purchaser, to maintain and utilize one or more of those Units and appurtenances thereto, for sales and management offices and for storage and maintenance, and model Units, parking areas for sales and rental purposes, and advertising signs.

(b) the owner or owners of a Unit or Units in the added portion shall thereupon become members, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members, including, without limiting the generality of the foregoing, one vote for each Unit owned by that owner or owners;

(c) the undivided interests of Units in the Common Areas, as so expanded, shall be reallocated on the basis that each Unit, including the newly added Units, has an equal par value of one, and, accordingly, as expanded each Unit will have an equal undivided interest; and

(d) in all other respects, all of the provisions of this Declaration shall include and apply to such additional portions, and to the owners, mortgagees, and lessees thereof, with equal meaning and of like force and effect.

Notwithstanding the foregoing, for administrative convenience, assessments with respect to Units added to the Condominium shall not commence until the calendar month next following the calendar month in which the amendment adding those Units is recorded with the Licking County Recorder.

Section 17. Easement Rights Non-Expansion. Each Unit owner, by acceptance of a deed to a Unit, appoints the Association or its designated representative, as his, her or its attorney-in-fact, to execute, deliver, acknowledge and record a perpetual easement to Declarant for purposes of ingress and egress, and for all customary private road purposes, on, over and across Stonington Woods. Said Easement rights shall become operative if Declarant, in its sole discretion, decides to expend less than 100% of the Additional Property described in Exhibit "F". The Association will have authority to establish, execute and deliver said Easement; (a) upon the request of Declarant, (b) and upon the sale and conveyance, to purchasers in good faith and for value, of Units to which seventy-five percent (75%) of the undivided interests in the Common Areas appertain.

(a) **Care and Shared Expenses.** The Parties agree that the easement described in Section 17 shall contain language that; "In the event of damage, destruction, and as reasonably necessary to replace, restore, reconstruct, maintain or improve, the expense of any repair, reconstruction or restoration shall be borne equally by the owners of the easement; however, this shall not be construed to release any owner from liability for damages caused by that owner's negligence or willful misconduct. Any maintenance, repairs or replacement of the easement necessitated by the negligent or willful misconduct of an owner, shall be the responsibility of the Party at fault." Declarant has no duty to provide care and shared expenses for said easement until after recording of the same. The provisions of this easement shall run with the land and be binding upon an inure to the benefit of Declarant and Association and their respective heirs, personal representatives, successors and assigns. In the event of Expansion of all or any portion of the Additional Property, the terms and conditions of Section 16 shall control.

ARTICLE XVIII

NOTICES TO AND VOTING RIGHTS OF LENDING INSTITUTIONS

Section 1. Notices. Any eligible mortgagee, upon written request to the Association (which request states the name and address of such eligible mortgagee and the Unit designation), shall be entitled to timely written notice by the Association of:

(a) any proposed addition to, change in, or amendment of the Condominium organizational documents of a material nature, including any addition to, change in, or amendment of any provision establishing, providing for, governing, or regulating: (i) voting rights; (ii) increases in assessments that raise the previously assessed amount by more than twenty-five percent (25%), assessment liens, or priority of such liens; (iii) reductions in reserves for maintenance, repair, and replacement of Common Areas; (iv) responsibility for maintenance and repairs; (v) reallocation of interests in the Common Areas (including the Limited Common Areas), or rights to their use; (vi) redefinition of boundaries of any Unit; (vii) convertibility of Units into Common Areas or vice versa; (viii) expansion or contraction of the Condominium or the addition, annexation or withdrawal of property to or from the Condominium; (ix) hazard or fidelity insurance requirements; (x) imposition of any restrictions on the leasing of Units, (xi) imposition of any restrictions on a Unit owner's right to sell or transfer that owner's Unit; (xii) if the Condominium consists of fifty (50) or more Units, a decision by the Association to establish self-management if professional management had been required previously by the Condominium instruments or by an eligible mortgagee; (xiii) restoration or repair of the Condominium Property after damage or partial condemnation in a manner other than specified in the Condominium instruments; (xiv) termination of the legal status of the Condominium after substantial destruction or condemnation occurs; or (xv) expressly benefiting mortgage holders, insurers, or guarantors. No addition to, change in, or amendment of the Condominium organizational documents shall be considered material if it is for the purpose of correcting technical errors, or for clarification only.

(b) any proposed decision or action that: (i) terminates professional management and establishes self-management when professional management has been required previously by an eligible mortgagee; (ii) causes restoration or repair of the Condominium Property (after a hazard damage or partial condemnation) in a manner other than that specified in the Condominium organizational documents; (iii) substantial damage or destruction not be restored; (iv) the Condominium Property be renewed or rehabilitated; (v) significant new capital improvements not replacing existing improvements be constructed; or (vi) would, without addition to, change in, or amendment of the Condominium organizational documents, make any change with respect to the items described in subparagraph (a) of Section 1 of the Article.

(c) (i) any condemnation or casualty loss that affects either a material portion of the Condominium Property or the Unit securing its mortgage (ii) any delinquency for sixty (60) days in the payment of assessments or charges owed by the owner of any Unit on which it holds the mortgage; (iii) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; and (iv) any proposed action that requires the consent of a specified percentage of eligible mortgagees. A holder, insurer or guarantor of a first mortgage lien on a Unit which has sent a written request to the Association stating both its name and address and the Unit designation or address of the Unit on which it holds, insures or guarantees the mortgage shall be entitled to timely written notices of the events described in this subsection (c).

Section 2. Voting Rights. No action with respect to which eligible mortgagees are entitled to notice, as provided in subparagraphs (a) or (b) of Section 1 of this Article, may be taken without the consent of eligible mortgagees of Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by eligible mortgagees appertain, provided, further, that no action to terminate the Condominium or that would have that effect other than by reason of substantial destruction or condemnation of the Condominium property, shall be taken without the consent of eligible mortgagees of Units to which at least seventy-five percent (75%) of the votes of Units subject to mortgages held by eligible mortgagees appertain.

ARTICLE XIX

AMENDMENTS

Section 1. Power to Amend. Except as otherwise specifically provided herein, additions to, changes in, or amendment of this Declaration (or the other Condominium organizational documents) shall, in addition to the consents required of eligible mortgagees, if any, as hereinbefore provided, require the consent of Unit owners exercising not less than seventy-five percent (75%) of the voting power of Unit owners. Notwithstanding the foregoing:

(a) the consent of all Unit owners shall be required for any amendment effecting a change in:

(i) the boundaries of any Unit;

(ii) the undivided interest in the Common Areas appertaining to a Unit or the liability for common expenses appertaining thereto;

(iii) the number of votes in the Association appertaining to any Unit or

(iv) the fundamental purposes to which any Unit or the Common Areas are restricted;

(b) the consent of Unit owners exercising not less than eighty percent (80%) of the voting power of Unit owners shall be required to terminate the Condominium; and

(c) in any event, Declarant reserves the right and power, and each Unit owner by acceptance of a deed to a Unit is deemed to and does give and grant to Declarant a power of attorney, which right and power is coupled with an interest and runs with the title to a Unit and is irrevocable (except by Declarant), for a period of three (3) years from the date of the filing of the Declaration, to amend the Condominium organizational documents, to the extent necessary to (i) conform to the requirements then governing the making of a mortgage loan or the purchase, guaranty, or insurance of mortgages by an institutional lender or an institutional guarantor or insurer of a mortgage on a Unit, provided that the appropriate percentage (as described elsewhere herein) of eligible mortgagees is obtained (if required), or (ii) correct typographical errors or obvious factual errors or omissions the correction of which would not impair the interest of any Unit owner, mortgagee, insurer, or guarantor, provided, further, that if there is a Unit Owner other than the Declarant, the Declaration shall not be amended to increase the scope or the period of control of the Declarant.

An eligible mortgagee of a Unit who receives a written request to approve changes, additions, or amendments sent by certified or registered mail, return receipt requested, and who does not deliver or post to the requesting party a negative response within thirty (30) days after receipt of the same, shall be deemed to have approved such request.

Section 2. Method to Amend. An amendment to this Declaration (or the Drawings or the Bylaws), adopted with the consents of Unit owners and eligible mortgagees hereinbefore required, shall be executed with the same formalities as to execution as this Declaration by two officers of the Association and shall contain their certification that such amendment was duly adopted in accordance with the foregoing provisions. Any amendment adopted by the Declarant or a duly empowered successor Declarant pursuant to authority granted it pursuant to the Declaration shall be duly executed by it with the same formalities as to execution as this Declaration and shall contain the certification of such signor or signors that such amendment is made pursuant to authority vested in Declarant or any duly empowered successor Declarant by the Declaration. Any amendment duly adopted and executed in accordance with the foregoing provisions shall be effective upon the filing of the same with the auditor and recorder of the county in which the Condominium Property is located.

ARTICLE XX

GENERAL PROVISIONS

Section 1. Covenants Running With the Land. The covenants, conditions, restrictions, easements, reservations, liens and charges created hereunder or hereby shall run with and bind the land, and each part thereof, and shall be binding upon and inure to the benefit of all parties having any right, title or interest in or to all or any part of the Condominium Property, and the Association, and their respective heirs, executors, administrators, successors and assigns.

Section 2. Actions. In addition to any other remedies provided in this Declaration, Declarant, (only with respect to those rights directly benefiting the Declarant), the Association, and each Unit owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges set forth herein or in the Bylaws or now or hereafter imposed by or through the Association's rules and regulations. Failure by Declarant, the Association or by any Unit owner to proceed with such enforcement shall in no event be deemed a waiver of the right to enforce at a later date the original violation or a subsequent violation, nor shall the doctrine of laches nor any statute of limitations bar the enforcement of any such restriction, condition, covenant, reservation, easement, lien or charge. Further, the Association and each Unit owner shall have right of action against each other for failure to comply with the provisions of the Condominium organizational documents, rules and regulations, and applicable law, and with respect to decisions made pursuant to authority granted thereunder, and the Association shall have the right to assess reasonable charges against a Unit owner who fails to comply with the same, including the right to assess charges for the costs of enforcement and arbitration. Notwithstanding the foregoing, in the event of any dispute between the Association and any Unit owner or occupant that cannot be settled by agreement between them, no Unit owner or Unit Owners shall institute legal proceedings against the Association without first submitting the dispute to arbitration in accordance with and pursuant to the arbitration law of Ohio then in effect (presently Chapter 2711 of the Revised Code of Ohio), by a single independent arbitrator selected by the Board. In addition to all other remedies available by law, the Association may use summary abatement or similar means to enforce any provisions hereof or restrictions against the Unit or its use, provided that judicial proceedings shall be instituted before any items of construction may be altered or demolished by summary means.

Section 3. Severability. Invalidation of any one or more of these covenants, conditions, restrictions or easements by judgment or court order shall in no way affect any other provisions, which provisions shall remain in full force and effect. In the event any language of this Declaration conflicts with mandatory provisions of the Condominium Act, the latter's requirements shall prevail and the conflicting language shall be deemed to be invalid and void, provided that such invalidity shall in no wise affect any other provisions of this Declaration, which provisions shall remain in full force and effect.

Section 4. Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations, partnerships, men or women, shall in all cases be assumed as though in such case fully expressed.

Section 5. Captions. The captions of the various provisions of this Declaration are not part of the context hereof, but are merely labels to assist in locating the various provisions hereof.
